

BUILDING HER ORDER TREATMENTS QUIZ

ANSWERS

- 1 A-F33 serum contains **RETINOL**, a leading dermatologist recommended ingredient.
- 2 **79%** of women who used Clinical Advanced Resurfacing Peel Pads agreed their skin had improved so much, they didn't need a pricey, professional peel.
- 3 The Clinical Face Lifting cream is designed to work like an **ULTRA-SOUND** treatment to stimulate collagen, elastin and hyaluronic acid.
- 4 The Clinical Advanced Hydration Overnight Mask should be used in the evening **THREE** times per week.
- 5 **DOUBLE** the power of your face cream by using the Essential Youth Maximising Serum.
